

PRESENTS

2006-2007 TMEA REGION XVII MIDDLE SCHOOL ALL REGION CHOIR CONCERT

We are pleased to announce that Ms. Claudia Shaw, Executive Producer of Video Masters, will be responsible again this year for professional videography at our concert. Claudia brings 21 years of experience in live performance videography to our events and has clients throughout the world. *Video Masters, winner of 6 consecutive Telly Awards, specializes in performing arts.*

The concerts will be filmed from a "TV Broadcast" perspective to highlight the performers as equally as possible. Full, half, quarter stage and close-up views will be filmed as each musical selection demands. Video emphasis is on the singers' performance, providing hours of entertainment for your family for years. *You may want to order more than one copy as gifts for grandparents or other family members.*

Availability of professionally produced video at reasonable prices allows you to actually WATCH the performance without being distracted trying to operate camera equipment. Video is also the only way your children can review their own performance. The special techniques used by Video Masters allow professional video during live performance that is unique, of high quality and beyond what can be obtained with ordinary camcorders. Live performance video is the most challenging to produce due to the highly variable stage lighting and continuous action. Video Masters strives to make your video look and sound just like the actual performance.

PERSONAL CAMCORDERS ARE PROHIBITED FOR THE PERFORMERS' SAFETY, COMFORT OF THE AUDIENCE, AND ALSO TO COMPLY WITH FIRE REGULATIONS, COPYRIGHT LAWS AND TMEA LICENSE CONTRACT. PLEASE NO FLASH PHOTOGRAPHY DURING THE PERFORMANCE AS IT IS DANGEROUS AND DISTRACTS THE PERFORMERS AND DIRECTORS. CELL PHONES ARE ALSO STRICTLY PROHIBITED AS THE TRANSMISSION INTERFERES WITH THE AUDITORIUM SOUND SYSTEM, MICROPHONES, AND WIRELESS TECH COMMUNICATION. THEY MUST BE TURNED COMPLETELY OFF (NOT ON SILENT OR VIBRATE MODE.) NO TEXT MESSAGING OR CELL PHONE PHOTOGRAPHY. THE AUDITORIUM WILL BE MONITORED.

Please allow four to six weeks for postproduction and mail delivery. Call 281-488-0590 if you have any questions. Leave your order form and check (payable to Claudia Shaw) at the concert or mail to the address below.
