# Brazoswood High School Choir

March 6, 2008

Dear Rockets Game Participants,

Choir students should plan to leave from school on Monday, March 10, 2008, wearing blue choir shirt and khaki dress type pants. We should return home around 11:00 p.m.

You will be released from your A4 class at 3:00 p.m. to come to the choir room. We will then be ready to step on the bus when it becomes available. You should bring a sack lunch or money to purchase food at the Toyota concessions.

Tickets have been shipped by the Rockets and should arrive early this week. Student tickets will be issued at the game. We will enter through the Bell Street Atrium entrance, which is the entrance towards LaBranch Street on Bell Street.

We will perform without music. Please pick up a CD and music, rehearse and memorize your part before next Monday.

Thanks for your participation in this event!

**ALERT:**

**Tickets for parents have been sent home with the student. The student should give you a sealed packet with your tickets. Please note that we kept one ticket for the performing students from your sequence. Hopefully, your child's ticket is in sequence with yours.**

**Remember that students must ride home on the bus or with their own parent. Students may not decide to just ride home with another person. If the student is leaving early, a written note from the parent must be provided.**

**Remember that academically ineligible students may not ride the bus or perform. They have been given their purchased tickets for your use.**

**If your child is absent for some reason or field trip, PLEASE be sure you have your tickets by Friday or make arrangements to stop by the choir office.**
