

Dear District Choir Candidates:

The District Audition will be held at **Angleton High School on Saturday, September 24, 2011**. The uniform for the day will be our choir shirts, jeans. Please bring your choir folder, even though you will place the published score in your folder. Paper clips and a pencil will help you in marking the audition cuts. You should bring money for your lunch at the contest concession or a sack lunch.

The schedule for the day is listed below:

7:00 a.m. - Roll check at the Brazoswood HS Choir Room

7:30 a.m. – Registration at Angleton HS

8:00 a.m. – A.M. requests begin

2:00 p.m. – Last call for P.M. requests

4:00 p.m. – Anticipated Return to Brazoswood HS (Anticipated end of the contest)

*****REMEMBER***** You may not have ANY electronics on your person while auditions are in progress, and that you **MAY NOT** sing the cut after the allotted “warm-up” time. You will turn in all electronics before you arrive at the audition site, and you will receive them again when you leave.

You may leave with a parent or legal guardian provided the correct documentation is in place. If you are leaving with another **ADULT** other than your parent or guardian, you must fill out a “Alternate Transportation Form.” This must be on file prior to the date of auditions, and any student leaving the audition early **MUST** be signed out. **NO EXCEPTIONS.**

Please remember that under BISD rules and regulations, no student is permitted to leave an event with another student. You can only leave with your parent or another adult with proper documentation in place.

Please check our website for this music and accompaniment tracks.

<http://www.bwoodchoir.org/TMEAPractice.html>

Each choir student must pay (or credit) the \$40.00 activity fee before the auditions for district.

Students that plan to be picked up by parents at Angleton HS should bring a note indicating this by **Monday, September 20th**. An **alternate transportation form** is necessary by the same date, if your student rides home with another parent. Copies of the forms are always available in the choir room and on the choir website.

We hope that all the practice that you have done pays off with a great audition. Good luck and good singing!

The Brazoswood High School Choir Directors
