2017-2018 UIL Dates for Eligibility

University Interscholastic League Guidelines set a 7 calendar day grace period following the end of each reporting period established by a district calendar. In accordance with these guidelines, the following chart identifies the dates on which a student may either lose or regain eligibility at the conclusion of the school day, 3:00/3:35 pm, and the conclusion of the 7 calendar day grace period. This grace period is provided so that a student has an opportunity to complete work missed due to an absence within the last week of the reporting period. It is not a period for doing extra work to raise an average to passing.
